Well done Serena - you are very deserving of your success and I anticipate great things in Y11.

# Head of year message

Dear year 10 (or should I say year 11!!)

Well done to every single one of you that has engaged with online learning and risen to the many challenges this has brought our way. Well done to those of you that have engaged through work packs and have had to face learning independently.

You have all (almost) come through one of the most difficult circumstances we have seen since the last world war. You have done it with courage, resilience and strength which has been a pleasure to see.

I can not wait to experience this next stage of our crazy journey together which is year 11.

See you all very soon - Miss Ashton
