Dance - A video tutorial along with a worksheet will be uploaded to the Google Classroom showing footwork techniques.
History	What was life like in Post Roman Britain? Google Form- containing retrieval quizzes, activities based on knowledge organiser, new content and videos to watch.
Geography	The homework booklet has been designed to help your child practice the key map skills we have been using this term. Each section is accompanied by a short explanation of how the task is to be completed. The map skills being practiced include map symbols, compass directions, and 4 figure and 6 figure grid references. Students will be using their map skills in different ways on different tasks. This is in order to check that they have a good understanding of each skill, and can use it accurately and consistently in different situations.

with you... for you... about you...
