### English
Students have recently been studying the exciting novel, 'The Hate U Give.' Over half-term, students have been asked to produce a book report on this novel using the resources given to them by the class teacher. Reviews will be shared on our return after the October break.

### Maths
Different students will be pursuing a variety of activities depending on their class and ability. They should please use the google classroom to ask your teacher any questions or for any help. Teachers will be monitoring this over the half-term break.

### Science
Students should watch the two videos in your google classroom on ‘Earth’s atmosphere’ and ‘Health and disease.’ Then, complete the Google Form Quiz in your Google Classroom.

### Geography
Students will be required to complete a series of google forms to check their understanding of the examples of world conflicts studied so far in geography. Material will be uploaded to their google classrooms about the next conflict they will study. Students will be expected to read this and complete a google form.

### History
Why does America have such a problem with race? Google Form- containing retrieval quizzes and a range of activities based on new content.
