She is always polite, helpful and friendly, she contributes in lessons and always puts 100% into everything she does. Since going into lockdown, Afara's attitude has not changed. She has been constantly dedicated to her learning, completing all of the tasks set with enthusiasm and positivity, meaning she regularly receives exceptional marks and positive comments from her teachers. As well as doing all of this, Arafa has maintained her commitment to her sports and has been helping out at home and participating in additional activities such as art challenges. Since the school closed, she has continued to display a positive attitude and regularly attends our Google Meets as well as completing work online. She has a fantastic future ahead of her. Thank you Kisa.
